## MESSAGE

*Alkesh Dinesh Mody Institute for Financial and Management Studies, a department of University of Mumbai, is providing multiple opportunities to the MMS students to get involved in upgrading pertinent skills and the right attitude required for becoming ideal corporate. The Institute is also providing platform to students to network with industry professionals. The academic year 2018-19 witnessed efforts of the Institute in this direction. Continuous support of corporate executives helped the institute to provide right and multiple placement opportunities to its students. Companies from varied domain areas visited the campus and this includes: Consulting, Rating Agencies, Investment firms, E-Commerce, FI/ITes, Telecom, NBFC, Banking, Production, FMCG, and Manufacturing, etc.*

*In February 2019, Institute also organized a job fair for Persons with Disability (PwD) in association with Youth4jobs (an NGO working in the area of PwD employment). The job fair was attended by more than 600 persons with disability. Companies like Morning Star, Cappgemini, Ernst & Young, Sutherland Global Services Limited, Citius Tech, Infosys and many more were the part of the process. More than 100 PwD students got placement offer through Job Fair and benefited. I congratulate institute for this unique initiative.*

*Institute continued its remarkable collaboration with industry in the year 2018-19 as well. Some new Industry-Academia linkages were:*

- *MOU of Institute with MCX in various activities related to commodities market-teaching, research, and training.*
- *MoU of the Institute for E-Cell of the institute with IIT, Mumbai*
- *MOU with Youth4jobs for activities related to disability inclusion in academics and industry.*

*I am happy to know that the efforts of institute are getting recognized. Institute is ranked 280 out of 2830 colleges by AICTE – Internshala in 2019. The institute is also ranked among the top 20 best B-Schools in Government category by Week-Hansa Research Survey 2019.*

*I welcome industry to be a part of growth journey of the institute and to partner in mutually beneficial progress.*

Vice Chancellor

# Director's Message

Dear Recruiters,

It gives me an immense pleasure to welcome you at Alkesh Dinesh Mody Institute for Financial and Management Studies which is a department of Mumbai University. The institute is relentlessly taking an endeavor to develop institute as per corporate and students expectations. I am pleased to inform you all, that this year Institute has been ranked among the best top 100 B- Schools in the Times B-School Survey 2020.

Some of the initiatives made in the academic year 2020-21 that focus on student development are:-

- Keynote Financial Services Limited has instituted 'Keynote Award for Academic Excellence 2020' at Institute with a prize money of Rs. 25,000 for one male and one female student securing highest marks in academics.
- Institute is offering 'Certificate course in German' for M.M.S. Students in association with Department of German, University of Mumbai.
- Software tools like SPSS, Ace Equity, and Proquest have been available for students capacity building.
- Apart from regular entrepreneurship and business interface activities, the institute has been collaborating with NGOs to create a societal awareness amongs students.
- Institute collaborated with many organisations like Youth4Jobs, Vans Skilling, Kaash Foundation and Emerge Finishing School and has organized international and national webinar on varied themes related with placements.
- The E Cell is helping students to get connected with entrepreneurs and learn from their experiences.
- The students of Institute have performed well in various national competitions organized by reputed institutes and organizations and have won many laurels.
- The first international alumni webinar reflected the success of institute's alumni at international level.

Institute has also organized several other webinars and an FDP in association with MCX during the lockdown period.

The institute is striving to create future business leaders who can manage and create powerful organizations that can meet emerging market challenges. The program curriculum is industry oriented and provides an exposure to students in strengthening their theoretical knowledge with practical understanding. Efforts of the institute are complemented by the support it receives from its accomplished faculty.

Institute maintains active association and interaction with industry. In spite of current difficult times, the corporate have shown their trust in us and have provided online summer internships to students. Institute also maintains active connect with its alumni and celebrates the accomplishment of its alumni regularly. Many of our alumni have received varied honors and awards and have made us proud. Our efforts are also being recognized by industry and campus offers for final and summer placements are reflection of the same.

We look forward to building long lasting and mutually beneficial relationship with you and welcome you to campus placement process for the year 2020-21.

# Placement Officer's Message

Dear Recruiters,

I am very happy to present the Institute Placement Brochure which comprises of information related with Institute activities for the year 2019-20. Every effort, which we have taken at Institute, was an attempt to provide opportunities to the MMS & M.Sc. Finance students to get engaged in upgrading their skills and the right attitude as per corporate expectations. As a representative of Institute's placement cell, I am aware of my responsibilities toward students and corporate. There is always a challenge in B-Schools to groom students as per corporate expectations.

**Mrs. Kavita Pandey ( Mishra )**  
**Placement Officer**  
**MH-SET (Management);**  
**M.M.M., M.A.**

This challenge has become more difficult to achieve in this year because of lockdown and market fallout. But, as there is a famous quote, "Where there is a will, there is a way." So, In spite of challenges, the institute has provided 100 percent summer placement opportunities to the students to work from home. The final placement of MMS students, though not hundred percent, has been satisfactory in view of pandemic situation. Several students have got dual summer internship offers with stipends. The newly launched M.Sc. Finance program was well-received by corporates and the highest stipend was offered to M.Sc. Finance students is a good start.

The credit of success goes to the continuous support of corporate executives who helped the institute to provide right and multiple placement opportunities to students. Companies from varied domain areas offered opportunities such in Consulting, Rating Agencies, Fintech, Digital Agencies, E-Commerce, IT/ITes, Telecom, Ed-tech, media, energy, NBFC, Banking, Production, FMCG, and Manufacturing, etc. The lockdown has also given us the opportunities to connect online with professionals and senior alumni of Institute across the world. This year, the placement cell has organised many national and international alumni webinars and collaborated with reputed organizations to bridge the industry-academia connect.

I am proud that I have been instrumental for initiating collaboration with several reputed agencies like Vans Skilling, Kaash Foundation, and Career Curators etc., in organizing the national and international webinars for students. The Global Mentorship Programme, which was a unique initiative of Institute has paved a way for the Institute to be counted as B-School in providing international exposure.

On behalf of Institute's placement cell, I urge corporate professionals, alumni and students to keep visiting us and inspire us. The Institute has a progressive perspective and I welcomes each and every one of you to contribute in creating difference in B school progress and students' success.

I welcome corporate professionals and look forward to an everlasting association with us.

# Lockdown Diary 2020

Bringing out the best in you- Lockdown and placements at  
ADMIFMS, University of Mumbai

***"Tough times never last, tough people do" – Robert H. Schuller***

The year 2020 is not the same year as compared to many other previous years. The pandemic challenge has impacted everyone. It has impacted lives, health, family, society, and placements too. Many organizations laid off their employees, withdrew the offers, cancelled students summer internships, and offers. The Institute also faced the same challenge. For us, it was a challenging time and we were equally in dilemma to resolve this. But, ADMIFMS is known to deal with challenges and emerge victoriously.

The Placement Committee of the institute has taken the responsibility to fulfill the commitment for providing corporate exposure to students. We revamped the strategy and started tapping organizations for digital internships. We were elated to receive a positive response from corporate and with their support, we achieved 100 percent summer internship completion with stipends for many students. Apart from securing 100 percent summer placements, many of the students performed exceptionally well in their internship and received an appreciation letter from their mentors. Ms. Vaidehi Vihari was awarded among the top 100 students for her Summer internship project, by E4 development and Coaching limited. Students of M.Sc. Finance, a new programme launched at the institute in 2019-20, also secured 100 percent summer internships. Our placement officer Ms. Kavita Mishra Pandey was awarded by YUGMA – Unsung Heroes Awards 2020 for her outstanding contribution and persistent efforts in shaping students' careers.

Dr. Smita Shukla, In-charge Director, highlights that:-

'Challenges faced by the Placement Cell during a pandemic are unique. Pandemic is a black swan event. No background work or experience can be applied to deal with this unique and once-in-a-lifetime event. What makes us proud as an institution is a way the Placement Cell rose up to the challenge. Right in the initial first month of the start of lockdown (March-April 2020), the Institution had decided against opting for in-house summer internship projects. We felt that such in-house projects would not provide the students with actual market experience and company rigour. The placement cell was asked to explore online summer placement and final opportunities with regular partner companies and to look beyond them if required. The placement cell not only succeeded in ensuring 100% summer placement opportunities for the students but also secured several summer internship opportunities with stipend. Several students, in fact, used the lockdown period gainfully by doing more than one internship project. The momentum for the final placements was also well maintained and was successful in spite of the testing time'.

## 'Campus to Corporate Guest Lecture Series'

### Developing A Positive Attitude and Values for Being a Successful Manager.

(20th Feb 2021)

Mr. Baibhav Prasad, Head Leadership & Organizational Development L&T HCI (Heavy Civil Infrastructure), delivered a talk on "Developing a Positive Attitude and Values for Being a Successful Manager". Mr. Baibhav, having work experience in academics and industry, in his talk, inspired students for developing a positive attitude and highlighted the steps for building successful career in the professional world. The references of pot analogy, bloom's taxonomy, efforts for building cognitive minds to accept the challenges, and motivational videos were well received by students.

### Preparing for an Interview ( 6th March 2021 )

Mr. Prashant Deshpande, Corporate Head HR, Borosil Glass Limited was invited to deliver a guest lecture on "Preparing for an Interview".

In this session, Mr. Deshpande shared his rich experience of several years as an HR professional. He guided students about the strategy to prepare for interviews and how to answer basic HR questions in an impressive manner. Students found the session very engaging, interactive, and useful.

### Corporate Communications and Business Etiquette ( 6th March 2021 )

Ms. Neha Chaku Tankha, Founder and CEO of Clatter Chatter, based in USA and also a proud alumnus of the Institute, delivered a session and shared with students her personal experiences and the learning she had in her professional journey. She further elaborated and emphasized the importance of business communication and etiquettes. She also encouraged students to learn about corporate through practical experiences and learning while on campus.

# First Global Mentorship Virtual Programme ( August 2020 - October 2020)

The COVID-19 pandemic has disrupted life but at the same time has opened new opportunities for the institutions to connect with academic and corporate resources worldwide. There are no geographical barriers inhibiting sharing of knowledge and mentorship. The Global Mentorship Program (GMP) offered by the Institute as a collaborative activity with Career Curators is one such example.

Career Curators, a Singapore based mentoring organization (part of Change et al), offered a 60 days global mentorship program, that was exclusively designed for the Alkesh Dinesh Mody Institute for Financial & Management Studies, University of Mumbai to enhance the professional skills of the second-year MMS & M.Sc. Finance students.

This high value added program was offered on pro bono basis to the students of the Institute. Program targeted following challenges: Low employability skills; Training of B- School students as per corporate expectations; providing students with experiential learning with support of global mentors; providing the global exposure to students to understand the changing business environment.

During the Global Mentorship Program, 19 highly successful industry experts with rich professional experiences of 15+ years (average) and with diversified leadership positions and spread across the world (India, Canada, Singapore, and Switzerland), mentored the ADMIFMS students. The Achievement Day of GMP concluded successfully on December 23, 2020. Honourable Pro Vice-Chancellor, University of Mumbai inaugurated the programme and Mr Rizwan Hazarika – Chief Digital Officer, Singex, Singapore delivered the keynote address.

# INDUSTRY INTERFACE & STUDENT DEVELOPMENT ACTIVITIES

## ADMIRALS (1-02-2020)

Alumni meet is one of the most awaited social events of the Institute calendar. It is a trip down memory lane. Like every year, this year's alumni meet was also full of fun & nostalgia. The alumni who are performing well in their respective domains came together and re-lived their memories. After all, it is all about staying connected to your roots. Institute is proud of the achievements of its alumni and considers them as 'Admirals' of the Institute in corporate.

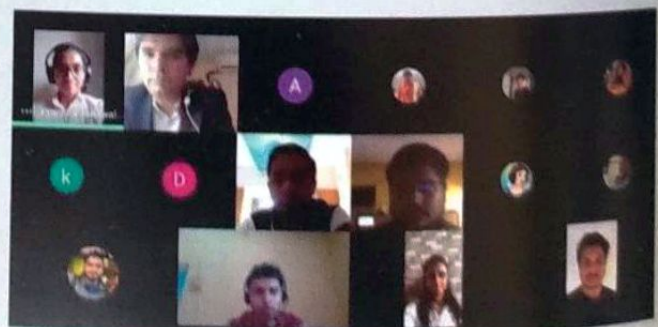

## Zest 2020 (23-01-2020)

ZEST is an annual inter-collegiate Management fest of Alkesh Dinesh Mody Institute for Financial and Management Studies. As the name suggests, 'ZEST' is all about enthusiasm, adventure, and zeal. Through Zest, Institute always tries to offer participants a palette of bright colorful events. Every year, under Zest initiative, a social issue or a campaign is undertaken such as Yoga and Tree plantation etc.

## Alumni Connect- Virtual Coffee Talk

Alkesh Dinesh Mody Institute for Financial and Management Studies invites its alumni for guiding the students through guest lectures, Alumni meet and connects regularly with them through the alumni portal. 'Coffee with Alumni' is one more example of such interaction. This year we had virtual coffee talks for our students. The purpose of this exercise was to create an informal environment, for better exchange of ideas. Alumni have the strength to impart confidence, motivate and encourage the students.

## About ADMIFMS

With a vision of delivering the highest quality management education to the students in a dynamic environment of mutual learning, teamwork, and support, Alkesh Dinesh Mody Institute for Financial and Management Studies came into existence in 1994. Alkesh Dinesh Mody Institute was Co-founded by Dineshbhai Mody in loving memory of his son Late Alkeshbhai D. Mody. Initially, the institute was established in the year 1994 as a Department of the University of Mumbai for offering management education with a focus on financial services.

Late Shri Alkesh Dinesh Mody

The institute was established in response to the growing need of Indian managers and investors who could handle business and Capital Market operations in a rapidly changing business and financial environment.

Located at the Kalina campus (Vidyanagari) of the University of Mumbai, the institute works towards its mission of bridging the industry-academia relationship and preparing effective managers who could lead with their humble attitude and management knowledge.

### The Core Values

The institute believes in imparting its students with values like commitment, quest for excellence and learning, community engagement, respect for diversity, globalization, ethics, social responsibility, knowledge creation and application.

The core values are the backbone of any educational institute. The values Alkesh Dinesh Mody Institute abides are:

**Achievement:** It includes attaining personal success in a range of human endeavors, pursuing individual excellence, and displaying pride and satisfaction in personal achievement and the achievements of the organization.

**Creativity:** It includes valuing original ideas, demonstrating enterprise and innovation, and engaging and responding to the aesthetic qualities of the created and constructed world.

**Excellence:** It includes striving for excellence in teaching through academic rigor and relevance.

**Integrity:** It includes faithfulness, truth, discernment, and acting honestly, ethically and consistently.

**Resilience:** It includes recognizing strengths and maximizing potential; developing self-management, self-confidence and self-respect; and nurturing optimism, joy, perseverance, well-being, and peace.

Shri. Dineshbhai Mody  
(Founder & Chairman)

**Responsibility:** It includes stewardship and accepting both individual and collective responsibility for contributing to sustainable community and its development.

*These values are universally and eternally relevant.*

The logo of the Institute is '**Erudition, Faith and Character**' which negates Injustice, Immortality, and Greed in every domain of life, opening up new frontiers, discovering new horizons, where science and spirituality make their tryst with destiny.
