From The Vice Chancellor

I am happy to know that the Alkesh Dinesh Mody Institute for Financial and Management Studies is providing best possible opportunities to its students and is disseminating all the pertinent skills and the right attitude required for creating skilful employees. The institute is continuously striving to upgrade and develop student competency as per corporate requirements.

Institute is ensuring that students are well groomed professionally and are connected with right Industry mix.

The institute has taken many initiatives to equip students academically & develop their capabilities. The institute is subscribing to Proquest and ACE Equity database (database of more than 24000 finance companies). Institute has SPSS and it also trains students in data analytics using SPSS.

Institute in association with German Department, University of Mumbai is also offering one year foreign language Certificate Program. Institute has also conducted Capital Market Overview sessions in tie up with BSE (Bombay Stock Exchange).

Apart from these, the institute has its own academic and placement activities which help the students to connect with corporate and alumni network. Institute regularly organizes various events like Round Table Conference, Mock Interview Session and Corporate Guest lecture on the theme of Campus to corporate.

This year, the institute has also set up Entrepreneurship Cell and has introduced Certificate program in Entrepreneurship in collaboration of NEN (Wadhvani Foundation).

I believe that all the efforts of institute are helping the Institute in setting new benchmarks in Management Education. Students of Alkesh Mody Institute for Financial and Management Studies hold right values, attitude that make them an asset for business organisations.

I wish Institute, students and faculty best of luck in all their endeavours.

Sanjay Deshmukh, Ph.D.
Vice- Chancellor

From The Director

Dear Recruiters,

Alkesh Dinesh Mody Institute for Financial and Management Studies is an Institute of University of Mumbai.

The Institute has been continuously involved in efforts to develop students as per corporate expectations. Some of the initiatives made in the academic year 2016-17 that focus on student's development are:

- Institute initiated offering of 'Certificate course in German' for the MMS students in association with Department of German- University of Mumbai
- Institute arranged special sessions spread over ten weeks (total of 30 hours) to build up capabilities in using SPSS for Business

The Institute has been continuously involved in efforts to develop students as per corporate expectations. Some of the initiatives made in the academic year 2016-17 that focus on student's development are:

- Institute initiated offering of 'Certificate course in German' for the MMS students in association with Department of German- University of Mumbai
- Institute arranged special sessions spread over ten weeks (total of 30 hours) to build up capabilities in using SPSS for analytics.
- Institute organized one day workshop for Marketing Students.
- Institute organized Capital Market discussion sessions in association with Bombay Stock Exchange Brokers Forum. Certificate for the workshop was awarded by BSE Brokers Forum.
- Institute initiated E-Cell to build and sharpen entrepreneurial skills of students. Institute is currently offering Certificate Course in Entrepreneurship in association with NEN (National Entrepreneurship Network – Wadhvani Foundation). Level one certification process concluded recently.

The Institute is striving to create future business leaders who can manage and create powerful organizations that can meet emerging market challenges. The course curriculum which has been recently revamped is industry oriented and provides an exposure for students to strengthen their theoretical knowledge with practical understanding. Efforts of the Institute are complemented by the support it receives from its accomplished full time faculty and good infrastructure.

The academic resources of Institute include well stocked library with over twenty thousand books, More than eighty national and international journals, Rich collection of audio-video resources on management studies, access to online research resource – ProQuest, access to Ace-equity database (database of over twenty-four thousand listed and unlisted Indian companies), SPSS, language lab and also access to several online journals.

Institute maintains active association and interaction with industry. Institute also maintains active connect with its alumni and honors and celebrates the accomplishments of its alumni regularly. Here it will be worthy to mention about our Alumni Mr. Makarand Patil who won Maxell Startup of the Year award (2016) for his consulting startup 'Big Business Advisors'. Our efforts are being recognized by Industry and campus offers for final and summer placements are reflection of the same.

Institute strongly believes in nurturing ethical managers who are morally sound, academically strong and have an inclination to generate profits for a business while ensuring betterment of society.

We look forward to build long lasting and mutually beneficial relationship with you and welcome you to Campus Placement process for the year 2016-17.

Dr. Smita Shukla
Director, ADMI
M.A, M.B.A, N.E.T, Ph. D(Fin)

From The Placement Officer

Dear Recruiters,

Campus placement is one of the most crucial activity of any business organization. This is an activity which has a rigorous connect with academy fraternity, students and corporate professionals. It undertakes lots of practicum training program and provide a platform to young aspirant management professionals to connect, explore and develop professional outlook with the help of experts in their fields.

At Institute, we understand the Organization seriousness to hire students through campus. Therefore, institute incorporates lots of grooming sessions for students as per corporate expectations. Also, the institute makes a consistent connect with corporate so that the offered grooming sessions to students should be relevant and based on corporate feedback.

Apart from this, the institute has also signed MOU with NEN(National Entrepreneurship Network), a Wadhvani Foundation and launched E-Cell, the institute has also enrolled students and started running the academic and extracurricular activities as per the structure given by Wadhvani Foundation.

Thus, I believe that the institute is making all the possible efforts to make students employable and work towards building a skilled and ethical managers of an organization.

I am sure that our all these efforts will be acknowledged by business organization.

I on behalf of institute invite your esteemed organization to participate in Campus Placement programme for the year 2016-17.

Industry Interface & Student Development Activities

Round Table Conference

Objective: Round Table Conference is a placement cell initiative which creates a platform for second year management student to interact with corporate professionals on one to one basis and make them learn about the available opportunities and challenges in the corporate sectors across specializations. The Institute had invited corporate representatives from Consulting, Corporate Finance, Banking, Financial Institutions, Pharma, and many other varied industries. Institute is grateful to all the corporate professionals who have mentored students and helped them to understand corporate reality with their experiences.

MOCK INTERVIEW

Objective: Institute conducts mock interview session for second year management students before to start their final interview of campus placements. The panel comprises of HR, Technical experts and Alumni of Institute. They assess students on the parameters like Subject Knowledge, Current Affairs, Attitude and Behavioural areas and give their constructive feedback so that students are better groomed to final campus interviews.

Industry Interface & Student Development Activities

CASE STUDY SUMMIT 2016

Objective: The Summit provides platform to debate and promote collaborations and connections between academic and corporate participants from different fields of management. Academicians, Corporate, Research Scholars are invited to submit papers on the main theme of the conference.

MUNIJAN 2016

Objective: The annual university festival 'Mumbai University New Initiative for Joint Action Now' was co-hosted by the ADMI with JBIMS which made young brains reflect social issues and initiatives for the betterment of society.

PRARAMBH 2016

Objective: Prarambh, from the Sanskrit language, when literally translated means 'Initiation'. It is the induction ceremony for the incoming MMS batch. Students are briefed on different approaches and pedagogies of teaching and learning by the Vice Chancellor, the Director and other important members of the staff and are made familiar with the do's and don't(s) of the institute.

Industry Interface & Student Development Activities

About Us

The 'Alkesh Dinesh Mody Institute for Financial and Management Studies' is an institute of the 'University of Mumbai'. The University has two management institutes namely 'Jamnalal Bajaj Institute of Management Studies' and 'Alkesh Dinesh Mody Institute for Financial and Management Studies'. It was established in 1994 and offers under-graduate (B.M.S), post-graduate (M.M.S in the specialization of Marketing, Finance, HR, Operations and Systems) and part-time (M.F.S.M) programmes. Recently, it has introduced a Ph.D programme in management. It is a full-fledged management institute located at the University of Mumbai's, kalina campus.

Shri. Dineshbhai Mody

The institute has been recently awarded 'B-School with Excellent Industry Interface' by Dainik Bhaskar (2013), ABP News, Amar Ujala B-school Excellence Awards for the year 2012-2013. Dewang Mehta B-School Awards have also honored us with the 'B-School with Best Academic Input syllabus in Finance' award twice in a row (2012 & 2013). The institute has also been ranked among the Best 150 B-Schools by 'The Week' & 'Chronicle' magazines.

The objective of the institute is to bridge the industry-academia relationship and produce effective managers who could lead the organizations with their humble attitude and management knowledge.

A vibrant, cheerful, serene, and lush green atmosphere is what greets one as he enters 'Alkesh Dinesh Mody Institute for Financial and Management Studies' at University's Kalina Campus, it being University college. Apart from having the finest atmosphere it is also rated as one of the Institutes with excellent infrastructure and ambience.

With academic rigor, the college provides students the opportunity to develop their personality. We give our student ample freedom to come up with suggestions and innovations. Our emphasis is on competent holistic development of our students so as to enable them to assume full responsibility as they climb corporate ladder in future.
