

University Of Mumbai's  
Alkesh Dinesh Mody Institute for  
Financial and Management Studies

Re-accredited with A++ Grade by NAAC CGPA: 3.65 (3rd Cycle)

# SUMMER INTERNSHIP REPORT

**MMS & M.Sc. Finance  
Programme 2023-24**

# Overview

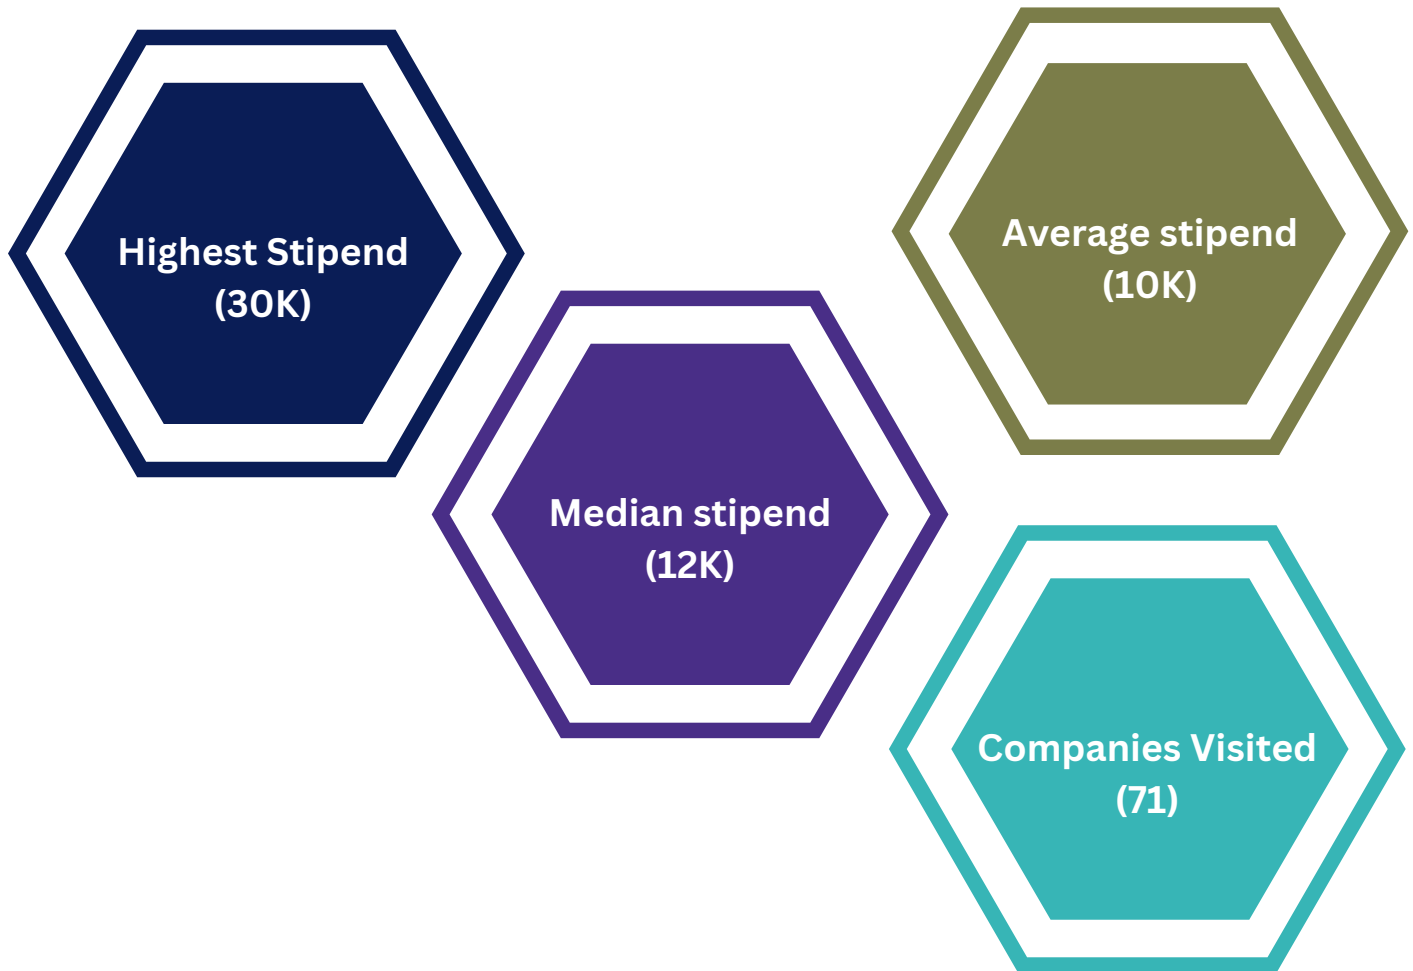

Alkesh Dinesh Mody Institute for Financial and Management Studies (ADMIFMS, University of Mumbai) has completed Summer Placements for all specializations i.e. Finance, Marketing, HR, and Operation students for the year 2023-24. The internship is an integral part of any B-School curriculum as it sets the base for management students' broader understanding of the corporate world and develops a holistic perspective. The institute has been providing multiple placement opportunities to the MMS & M.Sc. Finance students to upgrade their personal and professional skills. The institute has undertaken various initiatives to connect the students with industry professionals, social entrepreneurs, and experts of eminent. The institute even after the pandemic did not slow down and took affirmative actions to support students and relentlessly work towards bridging industry-academia relationships. It was only possible with the support and trust of our regular and new recruiters, alumni, and well-wishers.

This year, Companies from various domains visited the campus (Hybrid mode) such as FMCG, Banking, BFSI, Health care & Pharma, NBFC, Consumer durables, IT, Media agencies, etc.

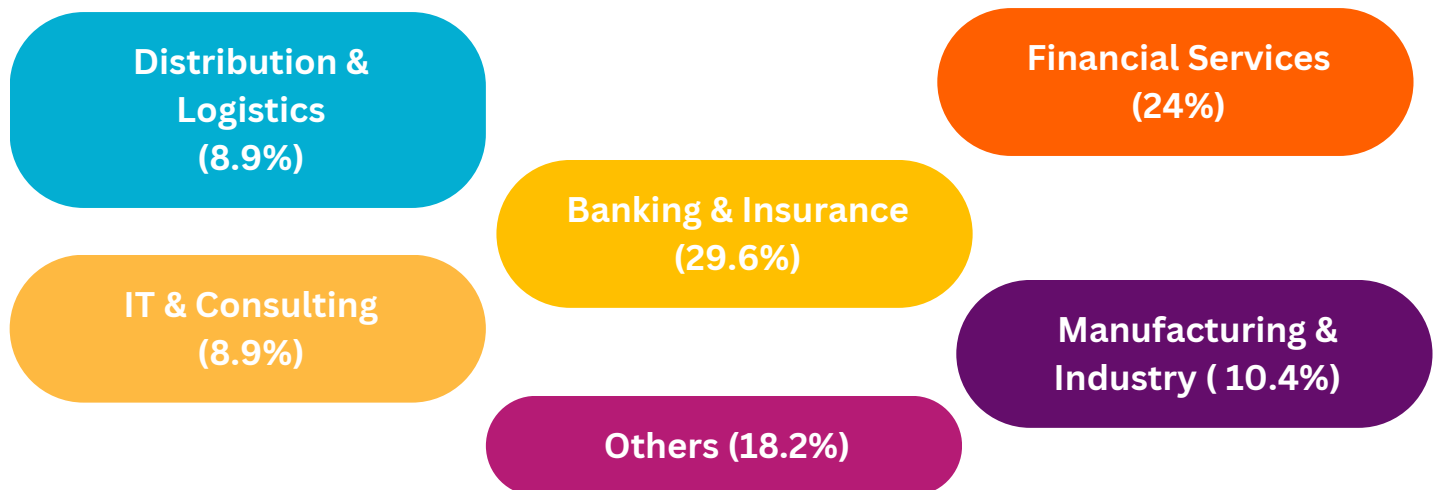

The regular interaction with the Director, placement officer, and course coordinators of MMS and M.Sc. Finance also gave lots of confidence to students. The Placement Cell of the institute organizes various corporate events like Guest lectures, Round Table conferences, Seminars, Corporate mock interviews, Panel discussions, etc. These activities help management students to understand the corporate challenges under the guidance of esteemed corporate professionals. the unique initiative of this year such as "Career Pe Charcha" was an eye opener to students and inspired students with the successful journey of mock interview's corporate panelists. These sessions engaged students formally and informally and provided them with an overall understanding of the corporate expectations for placements. The holistic efforts of all the stakeholders were reflected in the summer internship offers wherein several good companies participated and offered internships to students.

## Placement Sessions & Other New Initiatives

The placement cell of ADMIFMS, University of Mumbai conducted **Campus to Corporate Guest Lecture Series** Which aims to connect, network and collaborate with industry professionals and provide a platform for students to interact with company representatives on various relevant topics such as effective resume writing, career opportunities specialisation wise, leveraging the art of networking etc.

The institute also initiated a unique initiative **“Career Pe Charcha”** " In this programme, a panel of industry experts from various domains including finance, marketing, HR and Operations deliberated a talk on student's preparedness for the job market, restarting their careers after failures and important tips to navigate the career for success. The placement Officer and team moderated the programme. The director of the institute has also inspired students with her fascinating career journey. Students found it very interesting and evolving.

Before starting the internship, an expert counselor Dr. Eshita Mondal was invited. She has conducted psychometric assessments and the Programme coordinators and placement officers along with counsellors advised and counselled students for their specialisation selection. Students found this initiative very useful.

The First-year student placement committee also worked very hard and interacted with students batch-wise to ensure that a relevant internship opportunity was given. The committee has coordinated with students and institutes for the successful completion of summer internships.

# Key Highlights of Summer internship report

**Key Highlights of Summer Placements 2023-24:** According to Placement Committee Members, The placement cell of ADMIFMS was able to secure 100% placements for its students. This year there is an increase in the Maximum stipend and median stipend. This would not have been possible without the support of the Director Dr. Smita Shukla placement officer Dr Kavita Pandey, faculty members at ADMIFMS, and our fellow committee members.

This year we had a good mix of regular recruiters and new organizations offering offline / work-from-home internships for our students. We are grateful to our regular recruiters for showing faith in us and expect the same in the future. We are sure that the students will gain relevant training under experienced professionals and be able to explore their chosen career paths through these internships

**Banking & Financial Services:** - BFSI Sector has been the major recruiter for summer interns this year. We have had Companies like Reliance Securities, Bank of India, Bank of Baroda, Deepraj LLP, and many others who have taken students this year for various internship projects in investment banking, research, analysis, and merchant banking.

Many companies also got associated with the institute for the first time. The roles offered were in the domain of Investment Banking, Risk Management, Customer Relationship Management, Wealth Manager, Financial Modelling, Equity Research, etc.

**Consulting & General Management:** - Consulting & General Management is another emerging area for the summer placement this year. We have had companies like BIG Strategic Management Consultants, Switch MyLoan, EldewiseTokio, Kinam Engineering, and others. The roles offered were in the domain of Business Analyst, Business Development, Finance Intern, Recruitment, and others.

**Logistics & Manufacturing:** - We have been fortunate to have the presence of Companies like Clearship, Inland Logistics, DGM India, Tesscom, and others. They offered roles in the domains of logistics, Supply Chain Management, Business Analytics, Systems Intern, Marketing domain, Project management, etc.

# Key Highlights of Summer internship report

## **E-Commerce, Retail & FMCG:** -

The sunshine sector & evergreen sector of the Indian economy made their presence felt at our campus during the Placement season as well. ADMIFMS, University of Mumbai had startups and established e-commerce companies vying for the talent pool of management graduates. Companies like AMUL and many others have offered internships in the areas of digital Marketing, Search Engine Optimization, Backend Operation, Business Development, Market Research, and Talent acquisition among others.

**IT, Analytics & Others:** - To keep up with the emerging trends in the market ADMIFMS is also equipping its students in the emerging market areas. This year we had students who received their internships in domains such as Data Centre, Analytics, Project management, Systems Intern, and BI. We have had many new-age recruiters such as GCMF - Amul, ELDE Leading Digital, Lupin, Tata Strive, and many more.

**Conclusion:** The Summer Placements for the MMS and MSc Finance Batch of 2023-25 have succeeded for Alkesh Dinesh Mody Institute. Our Institute has achieved 100% placements this year as well, keeping with the previous year's trend. The new initiatives and the pessimistic approach towards the summer placements helped in achieving the desired outcomes. We are cognizant that such success arises from the joint endeavors of our talented students, dedicated faculties, successful alumni, consistent efforts of the placement cell, and the continued confidence of recruiters in the knowledge and skills of ADMIFMS graduates.

## Director's Note

It is with immense joy and pride that I congratulate the placement team for their outstanding efforts in ensuring that the summer internship process is carried out smoothly and efficiently. I extend my gratitude to the recruiting organizations for showing their faith in our institution in these difficult times and look forward to a long-term association with them. We are happy to present our students who have been groomed to meet industry requirements and are well-equipped to meet the expectations of the corporate world.

## Placement Officer's Note

Epicurus a great philosopher says, "The greater the difficulty, the more the glory in surmounting it". The objective of the ADMIFMS placement cell is to work hard, be consistent, build a robust industry-academia interface, and develop skills amongst students to be employable. The outcome of our endeavour was reflected in the summer placements for the year 2022-23. Students for this year secured their internship in hybrid mode across Finance, Marketing, HR, and Operations specializations. The placement cell is thankful to its recruiters and alumni for instilling their faith in us and providing multiple opportunities to students. We look forward to your active participation every year. We also ensure to work towards bridging the industry-academia gaps in terms of providing the right talent in organizations.
