The Institute has also received the overwhelmed response from companies who have offered the summer internship project to management students for the first time across domain. The companies like IIFL, Reculta, Ocupetal Consulting , Interactive Brokers, Itech, VANS Skilling & Advisory, E4 Development & Coaching Ltd. etc. These Companies operate in various domains like Market Research, Data Analytics, Consulting, Real Estate, Conglomerates, Consulting, Training & Development etc.

Conclusion

The Summer Placements for the MMS batch of 2020 has been a success for Alkesh Dinesh Mody Institute. Our Institute has achieved 100% placements this year as well, in keeping with the trend of the previous years.

Mrs. Kavita Pandey, the Placement Officer said *“It was the last week of March. Everything was going perfectly well as it was planned. As Placement officer along with the placement committee, we were working hard on looking for appropriate opportunities for our students. And, suddenly due to the increasing number of cases of Covid-19, the Government of India declared lockdown in the month of March. This was certainly unexpected and unpredictable. Due to this AICTE announced cancellation of on-job internships and emphasized on giving the students projects by the faculties.*

It was a state of panic amongst the students at that time as the internship offers given to the students by the organizations stood cancelled and there was no clarity of the future. But the placement committee didn't lose hope and took a lot of efforts to find sufficient amount of opportunities for them on the basis of their area of interests. With the consistent efforts and positive attitude of the placement committee the batch of 2020 was completely placed for summer internship by first week of May 2020.

Like every year, our regular recruiters from across the sectors have instilled faith in us. Also, there were many first-time recruiters with whom we would like to build long term association. It increases our confidence as a growing Management Institution. With this performance, we have proved that our efforts and commitment towards students' development and maintaining industry-academia relationships are in the right direction.”

We are thankful to our recruiters for their consistent support and trust on us. We would also like to thank the Director, Dr. Smita Shukla, our esteemed faculty, alumni, teaching & non-teaching staff and of course the students, without whom such an accomplishment would not have been possible.
